2016 CONTRACT A

Date: July 8, 2016

Dear Resident:

A new water main was recently constructed on West Grant. As part of the project, the contractor needs to make a connection to the existing water system at the intersection of West Grant and Southwest. In order to complete the work, the water main system on Southwest Place (Algonquin to West Grant) and Walnut Court (Southwest to West End) must be temporarily shut down. This also means that your water supply to your home will be interrupted.

THE WATER SHUT DOWN IS SCHEDULED FOR:

MONDAY, JULY 11, 2016

BETWEEN THE HOURS OF 9:00 AM AND 1:00 PM

The Contractor will be working diligently to make the connections as quickly as possible. As soon as the work is complete, the water main and your water service will be turned back on.

If you have questions or concerns about this project, please contact me at **(847) 391-5388 or bshipp@desplaines.org**. If I am not available, please contact Public Works at 847-391-5464.

Sincerely,

Becka Shipp, P.E.
Resident Engineer, City of Des Plaines
