

NEED HELP WITH HOME REPAIRS?

HOME REPAIR

FINANCIAL AID for DES PLAINES HOMEOWNERS

Administered by
NORTH WEST HOUSING PARTNERSHIP

This program is funded by the City of Des Plaines Community Development Block Grant program to help homeowners correct code violations & address long over-due home repairs that affect the health or safety of their families. **Low and Moderate Income Homeowners may qualify for a grant up to \$20,000 in subsidized home repairs, performed by professional contractors.**

Eligible improvements include: basic structural repairs, roof, doors, & windows, electrical, plumbing, heating, and weatherization. Energy star materials are required where applicable. Households must meet income and other eligibility guidelines. **Please check chart below to see if your household qualifies and call the Northwest Housing Partnership for more information.**
