1420 Miner Street, Des Plaines, IL 60016

P: 847.391.5390 | W: desplaines.org

Attention Residents: West Grant Drive (Northwest Pl to Southeast Pl)

Reference: 2016 Capital Improvement Project – Street and Utility Improvements
2016 CONTRACT A

Date: May 17, 2016

Dear Resident:

The water main work on Northwest Place will begin on Tuesday, May 17.

The contractor will begin at Northwest Place and proceed to the south to Southeast Place. It is anticipated this phase work will take approximately 25 days.

Note that all work is weather dependent and unknown utility conflicts may cause delays.

The water main installation operation typically involves working on a small area at a time, excavating ahead of the pipe installation, installing the pipe, then backfilling the area. The contractor anticipates installing approximately 100 to 200 feet of pipe per day. You will be notified of water main shutdowns as the project progresses. Individual services will be transferred to the new main at a later date once the main has been tested and approved.

The street and your driveway may have limited access during working hours. Your street and driveway will be accessible after working hours. Working hours are from 7:00am to 6:00pm, Monday through Friday. Whenever possible, please try to limit your trips through the work zone during working hours.

The intersection at Northwest and West Grant may be closed to all traffic for long periods of time in order to construct the water main and make necessary connections at this intersection.

Please do not park on the street during working hours.

Your patience and cooperation are greatly appreciated during construction.

If you have questions or concerns about this project, please contact me at **(847) 391-5388** or **bshipp@desplaines.org**. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'Becka Shipp'.

Becka Shipp, P.E.
Resident Engineer, City of Des Plaines
