Attention Residents: East Grant (Northwest to Northeast)

Reference: 2016 Capital Improvement Project – Street and Utility Improvements  
2016 CONTRACT A

Date: July 7, 2016

Dear Resident:

A new water main was recently constructed on West Grant. As part of the project, the contractor needs to make a connection to the existing water system at the intersection of Northwest Place and East Grant Drive. In order to complete the work, the water main system on East Grant between Northwest and Northeast must be temporarily shut down. This also means that your water supply to your home will be interrupted.

**THE WATER SHUT DOWN IS SCHEDULED FOR:**

**FRIDAY, JULY 8, 2016**

**BETWEEN THE HOURS OF 9:00 AM AND 1:00 PM**

The Contractor will be working diligently to make the connections as quickly as possible. As soon as the work is complete, the water main and your water service will be turned back on.

If you have questions or concerns about this project, please contact me at **(847) 391-5388** or **[bshipp@desplaines.org](mailto:bshipp@desplaines.org)**. If I am not available, please contact Public Works at 847-391-5464.

Sincerely,

A handwritten signature in black ink, appearing to read 'BS' followed by a flourish.

Becka Shipp, P.E.  
Resident Engineer, City of Des Plaines
