2016 CONTRACT A
Storm Sewer Installation – West Grant (Hoffman to Southeast)

Date: July 15, 2016

Dear Resident:

The storm sewer work will begin on Monday, July 18. This phase of work is anticipated to take approximately 10 days.

The contractor will be installing a new storm sewer lines on West Grant at the following locations:
Hoffman to approximately 100 feet to the south
Southwest to approximately 150 feet to the north

The contractor will be making repairs and installing new catch basins and laterals at various locations between Southwest and Southeast.

The new storm sewer installation operation typically involves working on a small area at a time, excavating ahead of the pipe installation, installing the pipe, then backfilling the area. The contractor anticipates installing approximately 100 to 200 feet of pipe per day.

The repairs, catch basin and lateral installations will be a spot locations.

The street and your driveway may have limited access during working hours. Your street and driveway will be accessible after working hours. Working hours are from 7:00am to 6:00pm, Monday through Friday. Whenever possible, please try to limit your trips through the work zone during working hours.

As a reminder, please do not park on the street during working hours.

Your patience and cooperation are greatly appreciated during construction.

If you have questions or concerns about this project, please contact me at **(847) 391-5388** or **bshipp@desplaines.org**. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'BS' followed by a flourish.

Becka Shipp, P.E.
Resident Engineer, City of Des Plaines
