2016 CONTRACT A
Concrete Driveway Aprons
NO DRIVEWAY ACCESS STARTING 10/4

Date: October 3, 2016

Dear Resident:

The contractor will begin the concrete driveway apron work on Tuesday, October 4. This phase of work includes removing the apron pavement (to the painted limits) excavating and placing new stone base, then framing and pouring the driveway aprons.

In order to complete this work, access to your driveway will be closed starting at 7:00 A.M. on TUESDAY, OCTOBER 4.

This restriction should last a **maximum of fourteen (14) days**. We will take samples to determine the strength of the concrete. As soon as the concrete has cured to allow traffic, the contractor will remove barricades to allow access.

Please do not park on the street within the work limits during working hours (Weekdays, 7:00am to 6:00pm). Please park your vehicles on nearby side streets. During non-working hours, you may park your vehicles on the street, in front of your house. You may also drive or park on the parkways as needed.

Your patience and cooperation are greatly appreciated during construction. If you need special attention or have questions or concerns about this project, please contact me at (847) 391-5388 or bshipp@desplaines.org. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'Becca Shipp'.

Becca Shipp, P.E.
Resident Engineer, City of Des Plaines
