P: 847.391.5390 | W: [desplaines.org](http://desplaines.org)

Attention Residents: Brown Street (Alles St to Lee St)

Reference: 2017 Capital Improvement Project – Street and Utility Improvements  
2017 CONTRACT B  
**Curb, Pavement, Sidewalk Removals**  
**Preparation for Pavement Base to Begin on 10/10**

Date: October 6, 2017

Dear Resident:

On Tuesday, October 10, the contractor will begin the roadway construction phase. The contractor anticipates this phase of work will take approximately 5 days.

As part of this phase, all pavement, all curb, all driveway aprons, and sidewalks indicated in pink spray paint will be removed. After removing the pavement, curb and sidewalks, the contractor will excavate for the pavement base. Then a new stone base will be placed and graded. The contractor typically works in 300 to 400 foot sections at a time.

All work is weather dependent and unknown utilities may cause delays.

The street and your driveway may have limited access during working hours. At the end of each working day, access will be provided to all driveways.

During working hours (Weekdays, 7:00am to 6:00pm), please do not park on Brown Street. Please park your vehicles on nearby side streets (Alles, Oak, Perry, Harding).

Whenever possible, please try to limit your trips through the work zone during working hours.

If you need special attention or have questions or concerns about this project, please contact me at **(847) 391-5388** or **[bshipp@desplaines.org](mailto:bshipp@desplaines.org)**. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'Becca Shipp'.

Becca Shipp, P.E.  
Resident Engineer, City of Des Plaines
